Other: Show management reserves the right to make changes including, but not limited to, cancel, split or combine classes, limit class size, change arenas, limit the number of rides and number of horses per rider and cancel, add or change judges. The show committee reserves the right to refuse any entry for cause. Show management reserves the right to deny entry to any competitor if the competitor or owner has outstanding debt to CARA. **EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT USEF OR FEI RULES AND WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH.** It is the responsibility of the competitor to be familiar with these rules. All questions not covered in these rules and regulations shall be decided by the show management whose decision shall be final. Every horse entered for competition will comply with the rules of the horse show management, but management will, in no case, be responsible for any loss or damage that may occur, and it shall be condition of entry that each exhibitor shall hold this horse show and the officials and employees of the show blameless for any loss or accident to his horse, employees, equipment, which may occur from sickness, fire or otherwise. The management reserves the right to refuse, accept conditionally, or to cancel any entries, disqualify any riders or exhibitors, prohibit entries and cancel award prizes without claims for damages; to cancel or combine unfilled classes, or to reschedule classes after due notice to exhibitors; to change rings or rotate judges. Exhibitors are notified that any act of discourtesy or disobedience to the judges or officials, on the part of the owner, manager, rider, or groom shall disqualify the horse, and the owner shall forfeit his entry fee and other fees. Show management reserves to itself the power to prohibit any person from attending or showing a horse in the ring and to remove any groom or horse from the show without being liable for compensation. In accordance with the 1989 Federal Waste Tracking Act, which restricts the disposal of medical waste, bio-hazardous medical waste containers will be provided in the stable area. All exhibitors and their agents are responsible for the proper disposal of this waste. No person will be allowed in the show ring during the time of judging except the exhibitor and those having official or requested duties to perform. It is the tradition of the show that riders be correctly attired for the class in question, that attendants be neatly dressed and the horses properly presented. Management may in its discretion bar any person from entering the ring if not suitable presented to appear before an audience.

USEF MEMBERSHIP STATEMENT: Eventing Competitions at the Modified Level or above, Combined Driving Competitions at the Advanced Level, Dressage Competitions, Endurance Rides and Vaulting Competitions: (See GR828.4 of the Federation rules). Disease Outbreak Rule: In the face of a disease outbreak, the show committee reserves the right to follow the AVMA (American Veterinary Medicine Association) and/or the AAEP (American Association of Equine Practitioners) recommendations as to what testing would be necessary to consider a horse free from the disease in question. They also reserve the right to require written proof that said testing has been performed within the recommended period of time. If the competitor does not adhere to the requirements, the show committee can refuse entrance to the show.

Some diseases are “Reportable Diseases”, meaning they must be reported to the State of Arizona Department of Agriculture. These diseases are subject to quarantine rules of the state. An example of one such disease is

Vesicular Stomatitis. In the case of reportable diseases, a health certificate is required from an accredited veterinarian with proper statement regarding said disease to accompany the horse.

Since this rule could apply to any number of diseases, and it would be impossible to list them all here, the show committee will post the testing/health certificate requirements on the sponsor web page if there is a current disease outbreak in the area.

Headgear Rule: From the time horses are officially admitted to the competition grounds by competition management, anyone mounted on a horse at any time on the competition grounds, including non-competing riders, riders on non-competing horses, mounted participants in exhibition classes and those competing in all classes and tests, including Para-Equestrian tests, must wear protective headgear as defined by this rule and otherwise in compliance with GR801. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. Protective headgear is defined as a riding helmet which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. The harness must be secured and properly fitted. Please refer to DR120 for dress code provisions while in the competition ring. Consult the Technical Delegate if you have questions or concerns.

ATTENTION COMPETITORS

Each competitor is responsible for supplying management with the following association numbers before the day(s) of the competition.

- * United States Equestrian Federation (USEF) for horse, owner, rider, trainer and/or coach.
- * United States Dressage Federation (USDF) for horse, owner and rider.
The scores of competitors who fail to supply correct numbers may not be counted toward national awards.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

**This
competition
is recognized
by USDF
for 2023**

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan[®]/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan[®]/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan[®]/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

How to Join USDF

Applications for USDF Participating Membership (PM), Business Membership (BM), Horse Identification (HID) number, and Lifetime Horse Registration (LHR) may be found in the following locations:

- On the USDF website: www.usdf.org. You can submit the application online or download the form.

- By calling or writing the USDF office at (859) 971-2277, 4051 Iron Works Parkway, Lexington, KY 40511

The effective date of membership is the date the form and correct fees are received in the USDF office or, if applying at a competition, the date accepted by the competition secretary, provided the application is signed and dated by the competition secretary, member, and/or horse owner on that same day.

2023 Great American Insurance Group/USDF Regional Dressage Championships

A single Regional Dressage Championship program organized by the United States Dressage Federation (USDF), and recognized by the United States Equestrian Federation, Inc. (USEF), will be held in each of the nine USDF regions. In addition, Alaska and Hawaii may each hold state championships if an official request from a Group Member Organization (GMO) is received by April 1 of the prior year. The Regional Championship Program Rules can be found on the USDF website at www.usdf.org. Please refer to the 2023 USDF Member Guide for the comprehensive list of rules and requirements for this program.

Membership/Registration Requirements for Qualifying and Championships

All memberships and registrations/recordings must be correct and current at the time qualifying scores are earned and at the time of the championships.

Rider:

- Must have a USDF Participating* Membership (PM).
- Must have a USEF membership (Active or Life).

Horse:

- Must have a USDF Lifetime Horse Registration (LHR).
- Must have a USEF (Annual or Lifetime) Horse Recording.

If the horse has more than one owner, at least one owner must have both active USEF membership and active USDF Participating or Business Membership and must be the owner of record with USEF and USDF. For a business or farm to be the valid owner under this requirement, it must be listed as an owner of the horse with both USEF and USDF.

The Arizona State Championships will be held at the Tucson Dressage Club Fall Festival I & II Dressage Shows, November 18-19, 2023 at the Pima County Fairgrounds, Tucson, AZ.

For scores to count toward qualification for the State Championships, a \$25 nomination fee must be paid for each horse. This fee must be paid before any rides will count toward qualifying.

Since only one horse/rider combination can compete at State Championships, the fee goes toward the horse. Multiple riders may qualify on the same horse if the nomination fee has been paid for that horse. If multiple riders qualify on the same horse, **one rider only** may compete in the State Championship classes and the concurrent Fall Festival show.

See State Championship Rule 5.

There are two ways to file your Nomination Form:

1. Send the nomination with a \$25 check, payable to Tucson Dressage Club to the address listed below.
2. Include the nomination and check, payable to TDC, with your show entry to any Recognized show in Arizona-- ADA, Tucson Dressage Club (TDC), CARA or Road Runner.

PURPOSE: The higher level horse should be able to perform basic movements at any time. The rider should return to lower-level movements as soon as he feels any tension or irregularity beginning. In all movements regularity of gait, suppleness of back, acceptance of the bit and lateral flexibility are of first priority. Once these basic elements are re-established in calmness and harmony, the rider again might ask the horse for higher-level movements.

Conditions: standard arena, average time 7 minutes.
 A plain snaffle bridle with noseband. Short coat should be worn.
 All trot work is sitting, unless specified otherwise.
